Thank you so very much for a splendid visit [redacted]. The visit was hectic, but it was exactly what I wanted and needed. The visit [redacted] and the many officials I met were all of great interest, and I now find myself able to visualize some of the things [redacted] talk about.

Please thank all the rest of your good people for their energy and effort during the visit, and particularly let me thank you, [redacted] for the lovely dinner with all the senior officials. It was a splendid way to meet them, and I enjoyed it a great deal.

Many thanks again.

Sincerely,

*Bill*
